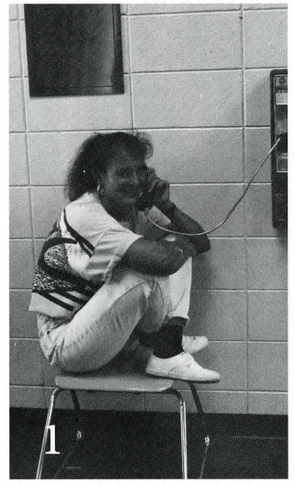
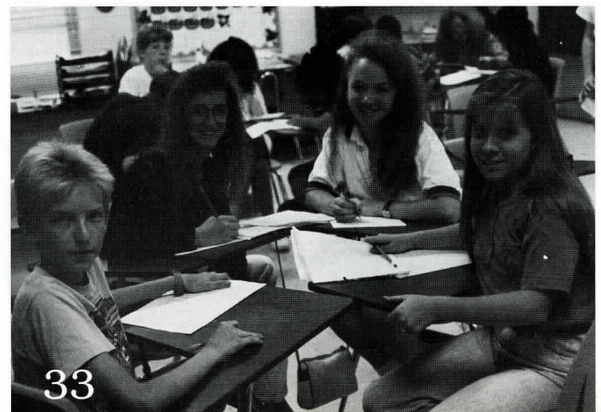
Teenagers of today draw a line on tolerating harm to their friends and to themselves. They draw the line on the issues of drugs, pollution, and endangered species.

THE LINES

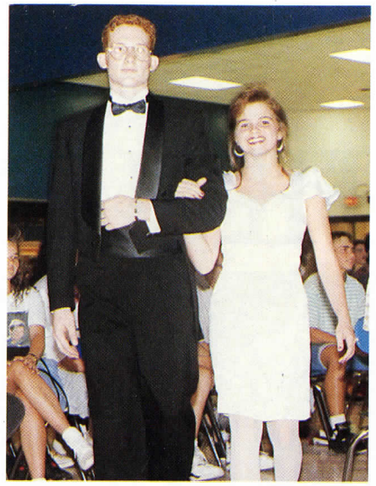


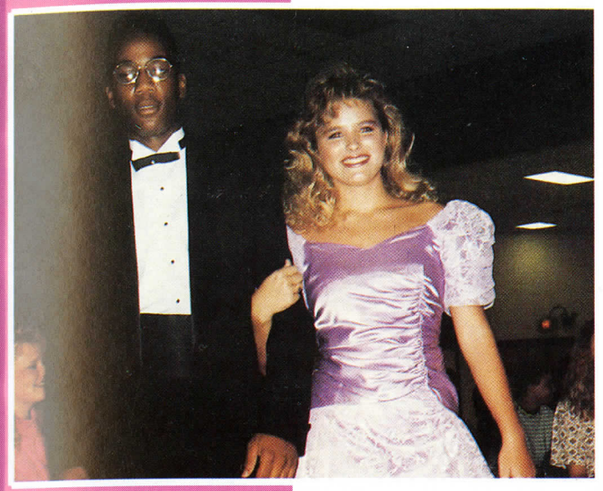


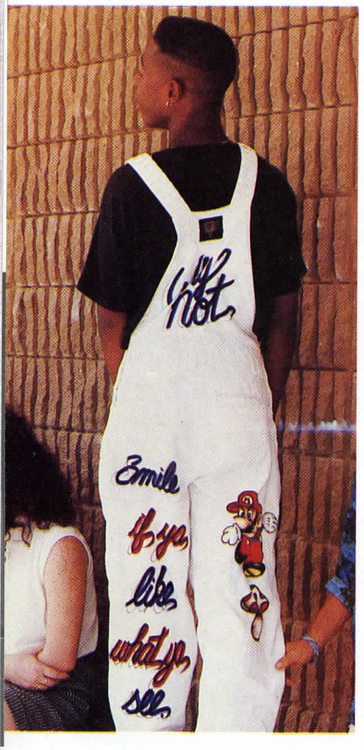
The yearbook staff draws ideas from everyday school and community situations and turns them into innovative layouts and designs. Original drawings by students appear throughout the Vancleave *Time 'n' Tide.*

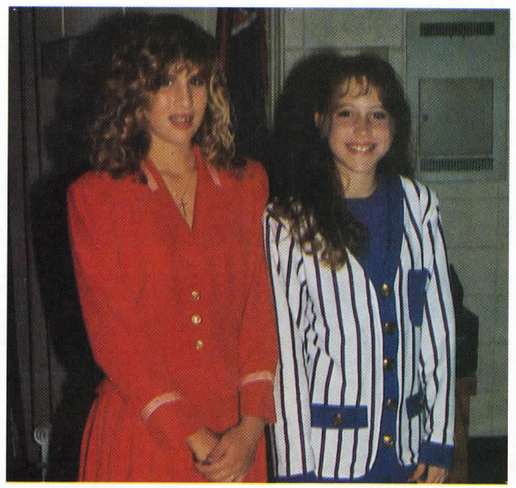
Fine Line of Fashion

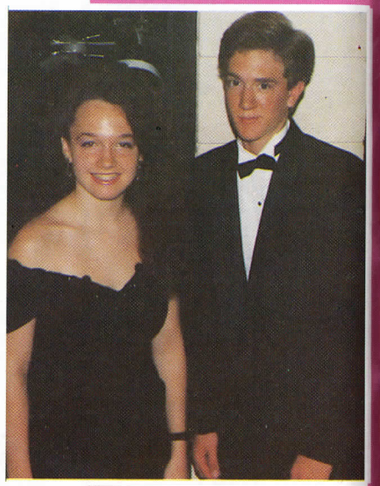
The VHS Annual Staff held a fashion show September 12, 1991. Students from VHS and VMS participated, modeling clothing from J.C. Penney and Stan's Men's Wear.

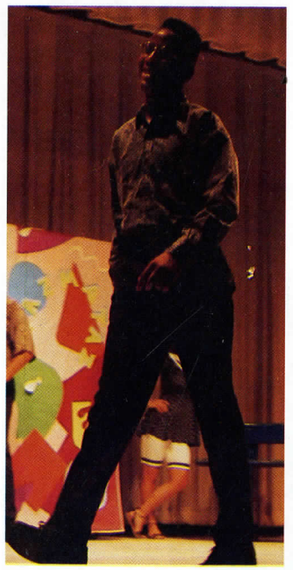


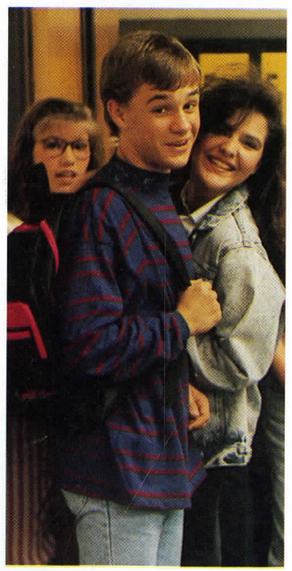


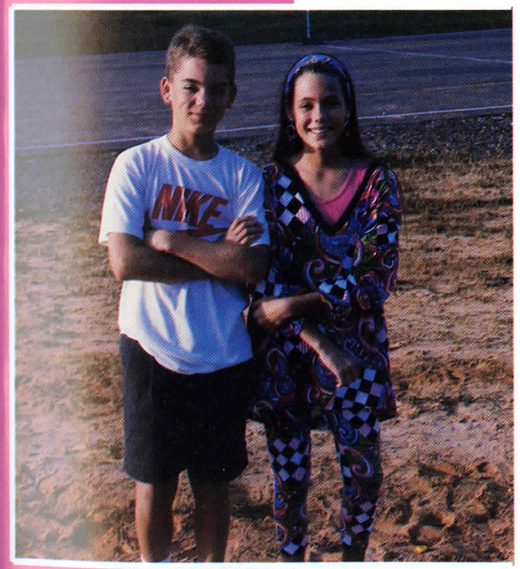












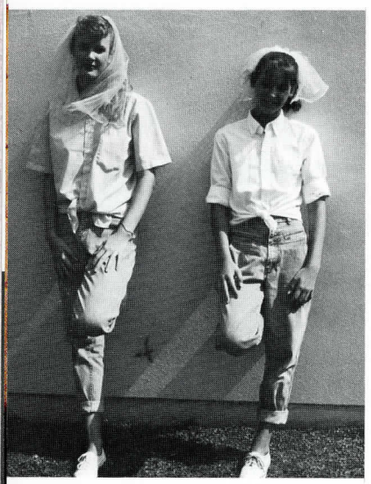
Bart Holden escorts Amy Dowdy during the formal presentation of the show. **Dunyall** sports a letterman jacket which indicates athletic ability.
Dwight wears overalls with his own statement.
Linsey and Karen wait backstage before the show begins.
Robyn Davis and William Tootle wait to take their turn on stage.
Gerald models a casual outfit from Stan's Men's Wear.
Chad Thomas carries a popular style book-bag. **Wesley Wills** enjoys wearing the newest trend-colored denim.

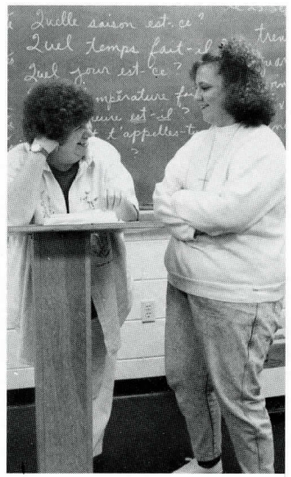
Jennifer is escorted by Gerald Jackson.
Heather Peterson and Frontiero together are a pair. **Middle** school gals Xamondria, Peaches, Alice, and Samantha also participated in the fashion show. **Jimmy and Derek** were used on the stage as props. **Chris and Daphne** are fashionable even during an ordinary day at school. **Xamondria and Earnestine** dress in style even while attending school.

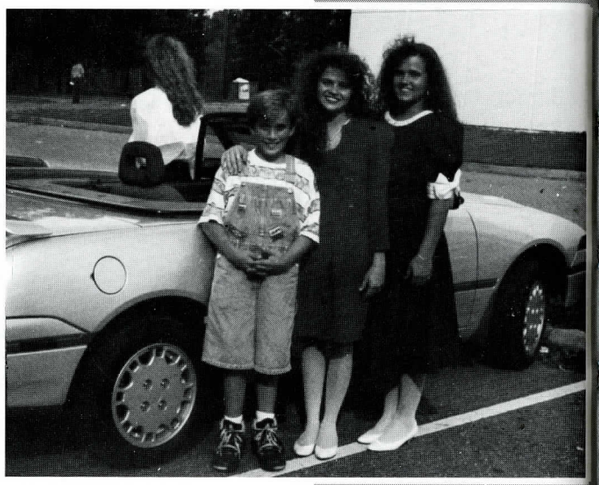
Blood Lines

Many students at VHS and VMS have something very special in common; they are related. Some of the students are brother and sister, some are cousins, and some attend school with an uncle or an aunt.

Several students at VHS have a brother or a sister at the Middle School. A few have an actual twin who attends school with them.

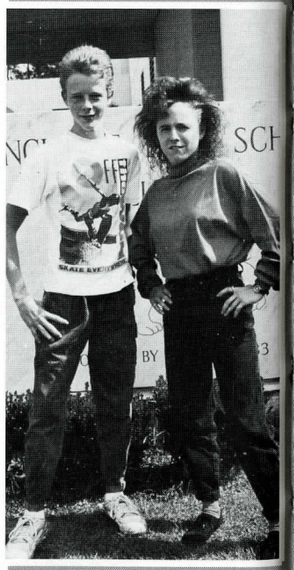


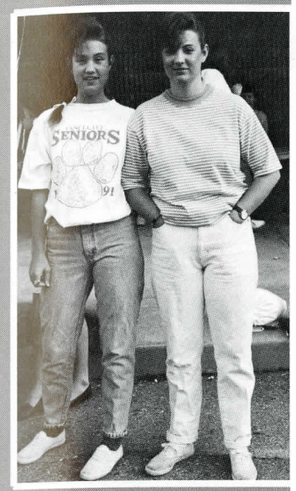


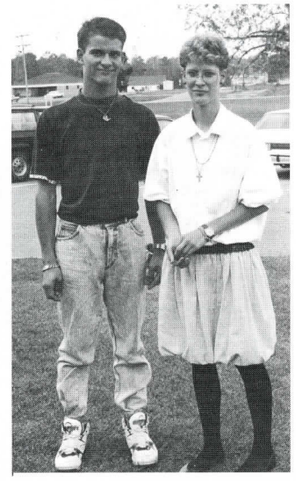


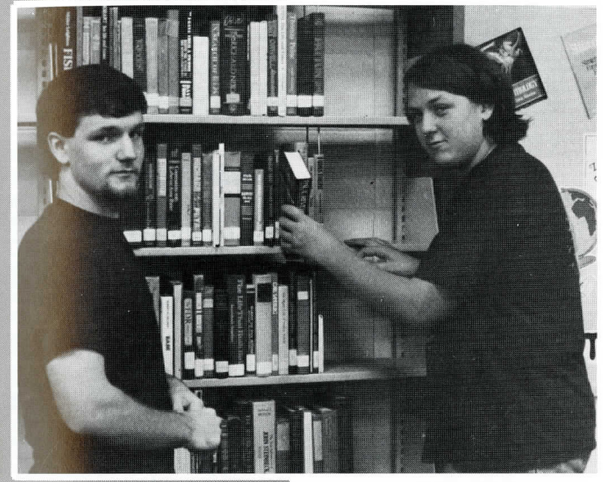
Louise Bennett and Jennifer Brochard are the nieces of Mary Moore. **Sisters** Kristen and Alycia Kapiotis enjoy showing their school spirit.

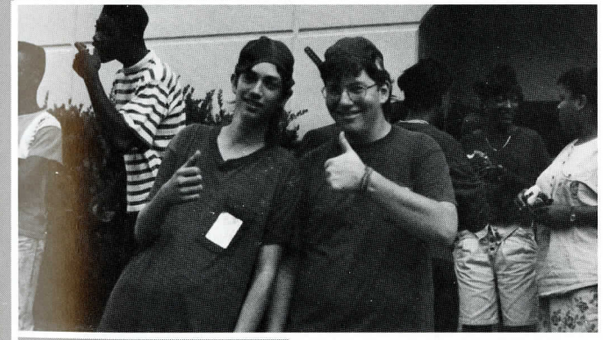
Cherrie Mallette and Coy Ann Mallett are cousins. **The Dowdys** are as follows: Ashley, Amy, and Vince. **Duncan** and **Kati McClean** are not just brother and sister but also friends. **Kenny** and Christi Smith are first cousins.

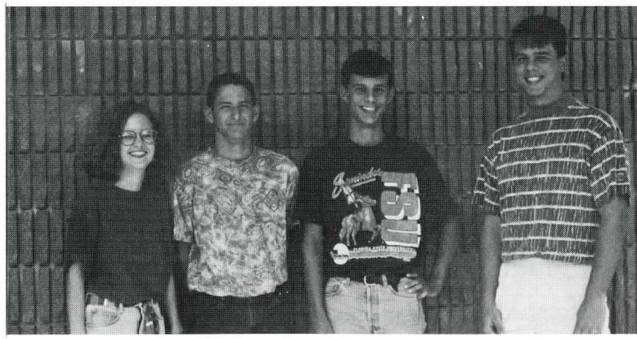


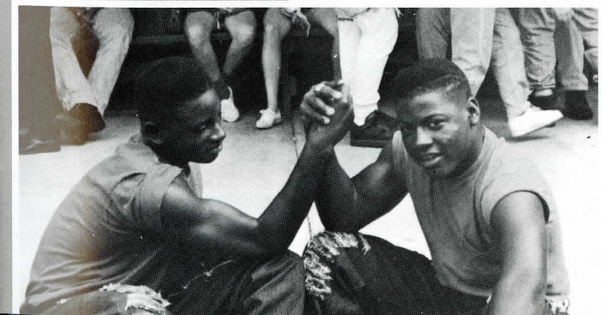












Raquel and Michelle Mallette are twins.

Brothers Wesley and Rodney Tanner would rather be hunting. Twins **John and Amanda** Lamey take French.

Brothers Victor and Adrian Burge share an interest in Greek mythology.

Stella and Hollie Henley look like sisters, but . . .

Sisters Jamie and Stephanie Ealy admire the decor of Tullis Manor.

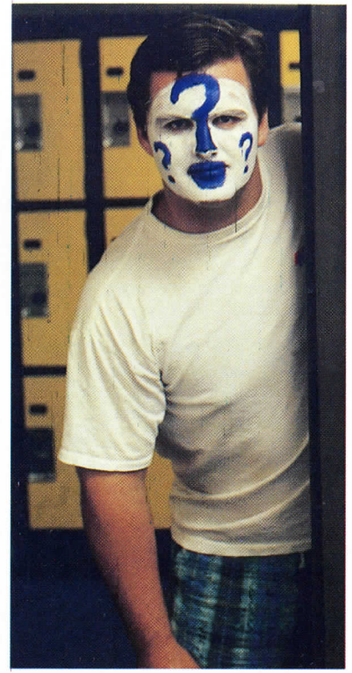
Bonham Tillman is Bart Tillman's nephew. **Trisha Wages** and Jeremy Miller will miss big brothers next year.

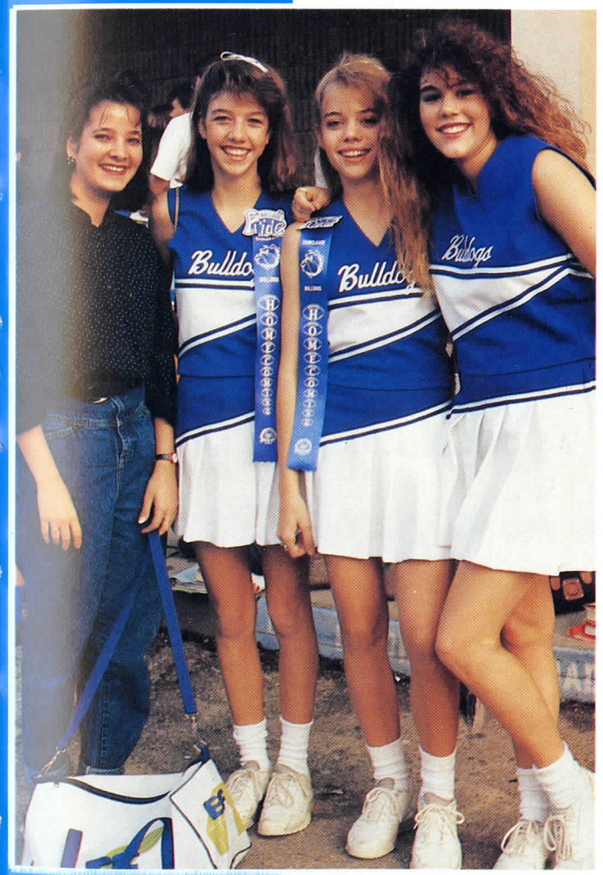
Brothers Ederick and Eddie Coleman play football.

Blue and White Align

Vancleave High School's Blue and White Day is held on the day of Homecoming.

Students show their school spirit by wearing blue and white and painting faces.



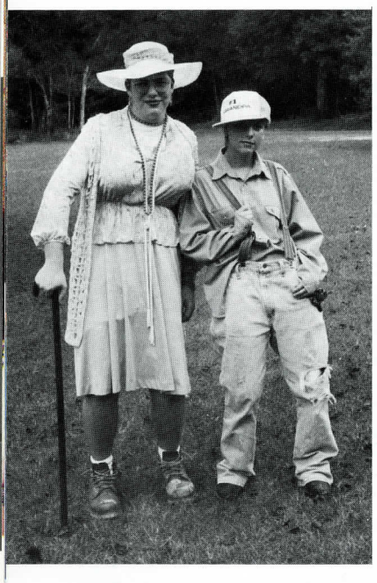


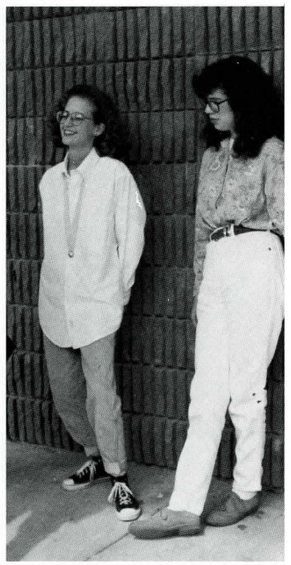
Freshmen Kristi, Maxcie and Suzanne experience their first high school homecoming. **Jackie Flurry** awaits the beginning of the Homecoming Parade. **Keith,** Darcel, Terril, and Eddie talk about strategies for the homecoming game.

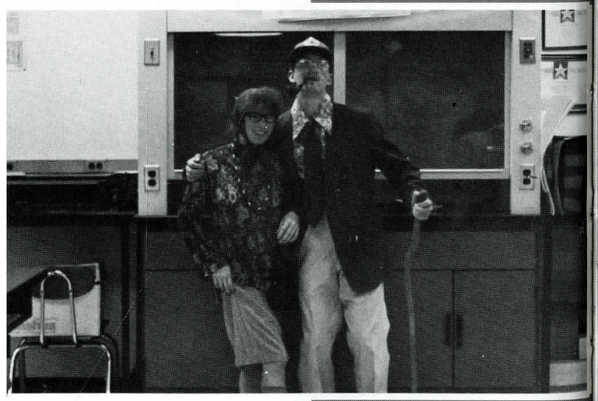
The Freshmen show off their school spirit and creative thinking. **The person** behind the blue and white face is Junior, Fred Ware. **Kati,** Jennifer, and Angel show Molly Tamara the meaning of school spirit. **Jay** looks on as Rachel paints John's face.

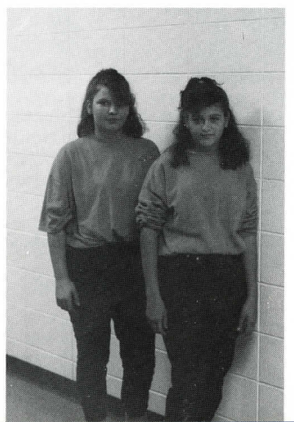
Spirit Week

The week of the Homecoming football game is Spirit Week. This year during October 21-25, many students dressed up to show their spirit. **Clinton Foreman,** Chris Hagood, and Janna Tolar play their parts on *Grandma and Grandpa Day.* **Rachel Inabinette,** Beth Hammons, and Tara Stockman = "Grandmas 'R Us!"









Bart Tillman and Heidi Barnett are *Thelma Harper and Grandpa Jones.*

Ashley Seal and Trisha Wages discuss the *50's Day* styles.

Angie Adams and Lori Bray are look-alikes for *Twins Day.*

Natalie Chandler and Darrell McAllister are some sexy grandparents!

Erica Davis and Ashley Bass dress as twins during VMS Spirit Week, which was Sept. 30 & Oct. 1.

Sommer Shepard and Leslie Busby are ready to "Bop" in their 50's shoes and bobby socks.

Jennifer Gaffin asks Cherry McCoy where she got the poodle skirt and crinolines.

Kim Roberts and Natalie Chandler idolize Elvis.

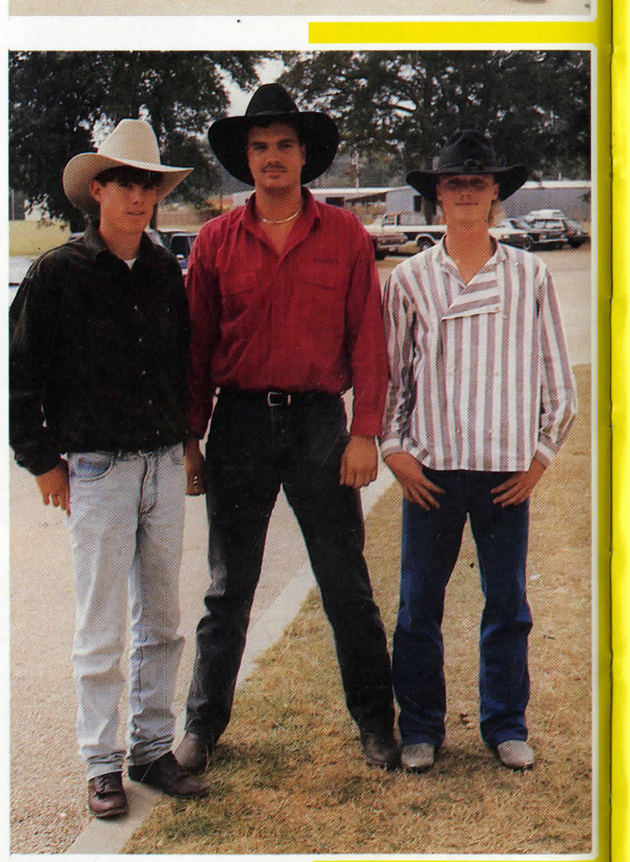
Jason, Christine, Beth, Nic, Tara, and Christi look like they are straight out of *Grease.*

Stephanie Roberts and Jennifer Walls show Saints and Bulldog Spirit in their gold and black on *VMS Twins Day.*

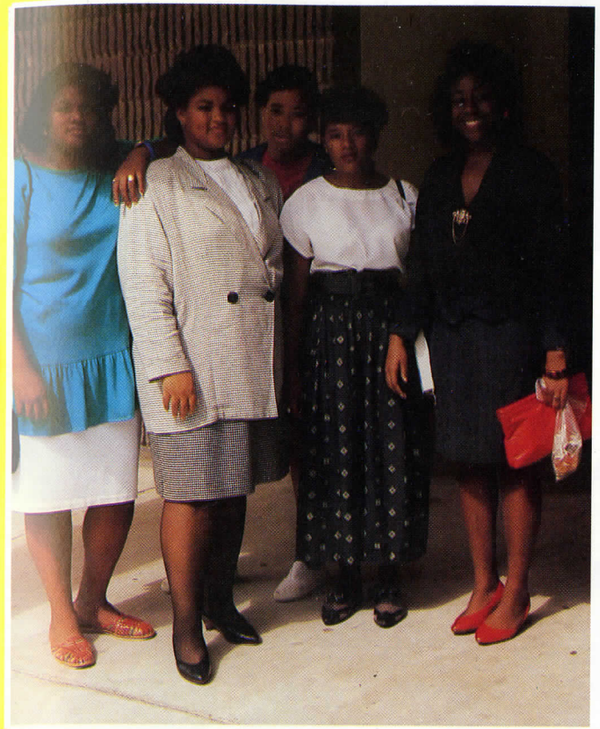
Spirit Draws Style

One of the most popular spirit days has always been Dress-Up Day, and this year was no exception. The 90's styles are a complete look from head to toe, and are fun to accessorize.

(Above) **Louise, Scott,** and Jennifer form part of this well-dressed group. **Tee-shirts remain** a popular item, especially hand-painted ones like those of Rhonda Hill and Angie Richards.



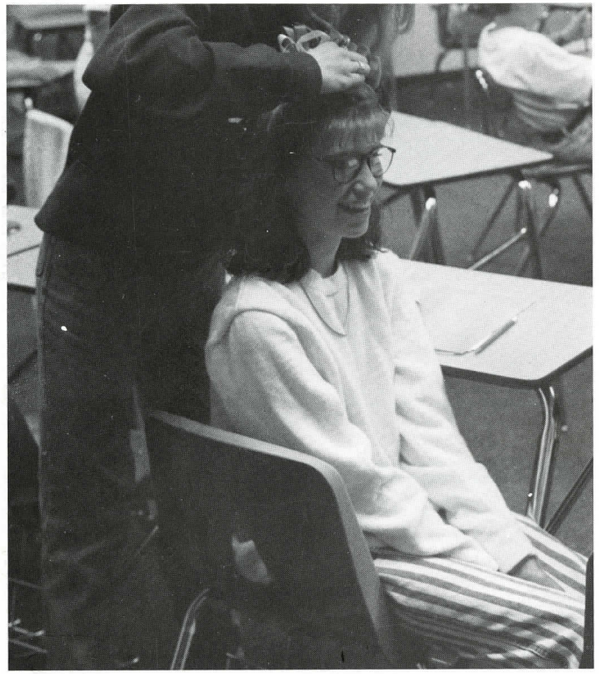
(Right) **Jamie Inabinette,** Janey Holifield, and Heidi Barnett have three very different looks — all are hot styles for '91!
Steven McKey, Michael Delmas, and Randall Platt are looking for the OK Corral.



Youlanda, Lakeitha, and Tammy Whittle, and Latasha Wright and Adriana Gaines are ready to Step Out. **Bart Holden** reveals his secrets on how he has lived so long to younger gramps Inabinette and Tootle.
Dwight Reddix is headed for a career in fashion design. **Ronald Nichelsen** proclaims that boots are made for walking in style.
Greg McMillan, Bart Holden, Nic Wages, and Tim Aycock love having their own wheels. Such freedom!

Hair Lines

Hair accessories have become a growing trend. They are worn to complement an outfit or to help celebrate holidays, such as Christmas or Halloween.



Big bows and french braids are back in the headlines. **Jennifer** adds a blue and white bow to help Heather show her Bulldog spirit. **Robert Gasaway** is hiding behind that hair and those glasses.
Kristi is one of the few who knows how to French braid. **Wendy** wears a bow to add a finished look to her long and pretty hair.

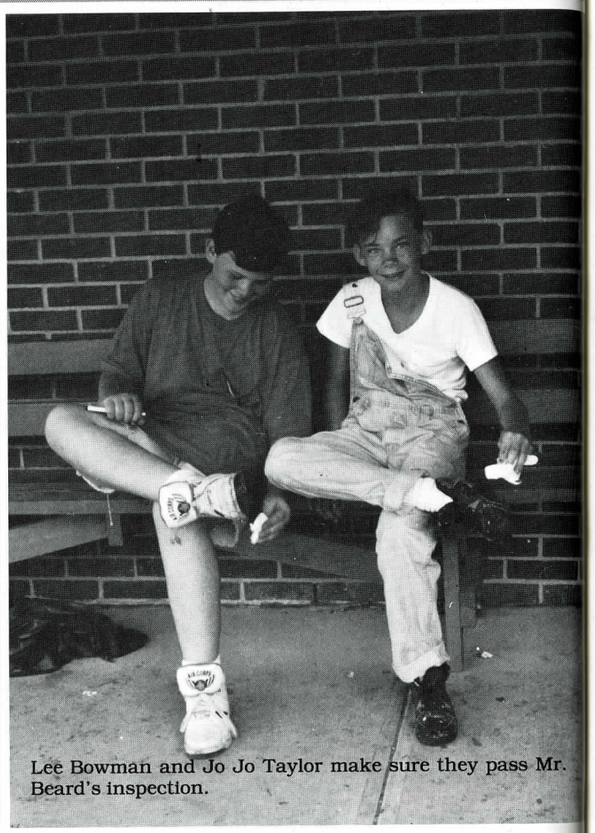
Seventh Grade

With eyes open and feet clean, the Classmates of '97 find the Vancleave Middle School offering opportunities that they never before have had, since this is their first year out of elementary school. They are eager to take Industrial Arts and Home Economics. Football, basketball, track, and cheerleading are seen for the first time as school-related activities. They are now able to join clubs such as Beta, FCSA, FHA, and Student Council.

Opportunities are everywhere for these students, who have finished just half of their education. Vancleave Middle School is truly an eye opener for the 100 plus seventh graders who are eager to continue their education.



Lee Bowman and Jo Jo Taylor make sure they pass Mr. Beard's inspection.

Eighth Grade

A Day in the Life of an Eighth Grader

Life in grade 8 is pretty cool; by now we know all about middle school. Wipin' your feet before you enter, and don't even try to get inside in winter. Mr. Seitz yells, "Better get to class!" Can't be tardy 'cause you don't have a pass. Law class teaches how the court system operates — innocent 'til proven guilty is what the law states. In history class we know exactly what to do — copy sections one and two. After that comes three and four. If you're good, there will be no more. English class is first rate. Homework! Homework! None accepted late. Eight parts of speech and a BSAP test, but Mrs. Thigpen's jokes truly are the best. As we enter Coach Brown's class: Spit your gum, candy and other objects in the trash. Science experiments are improvised like the homemade bombs and tape for flies. In math and algebra we have no rest doing equations and taking tests.

In Osley and Tindle's class this is what we do — folklore, fable, and storytelling, too. Home Ec. with Ms. Murphy is a breeze, cooking and sewing up shirtsleeves. Coach Stewart is our most patriotic teacher. He dresses in a suit everyday, like a preacher. Mrs. Whirl and Mrs. Freemin are headed for fame, keeping their students ahead of the game. The band works hard on their show; yes, they do — counting out notes — a one and a two! In industrial arts we work on engines and tighten bolts, but before all that we have to take notes. Not wearing safety glasses is a crime. Coach makes us do pushups — 20 at a time. P.E. is a class of a different sort. Volleyball and basketball are our favorite sports. Fran is undoubtedly the best housekeeper. Better watch out or she'll mow you over with her sweeper. Mr. Beard makes up schedules left and right. When the students see him, he runs from their sight. Mr. Prichett and Mrs. Brock will always be there, just like Ginger Rogers and Fred Astaire. 8th grade is really great, adventurous fun. That's why our class is Number One!

Freshmen

The Freshman Class started their first year of High School with a bang. Although they inherited the nickname "cabbage heads," this year's Freshmen have great school spirit and lots of class participation in all school activities.

Many Freshmen play sports at V.H.S. They even had a Freshman who played on the high school football team, as well as on the girls' basketball team. Many others belong to clubs such as FCSA and Teen Connection.

The Freshman Class Officers are: Raina Rushing — President; J. D. Balzli — Vice President; and Iris McMillan — Secretary/Treasurer. With that kind of leadership, they can't go wrong.

The Freshman Class is hard working and ambitious. They are looking forward to their future years at Vancleave High School.

Juniors

Although one of the smaller of the classes at V.H.S., the Class of '93 has a lot to be proud of. The majority of the class grew up together so they're all close-knit. They're always ready to have a good time, whether it's hunting, going to concerts, or just hanging out with friends.

They also enjoy working together; because of their hard work their float placed first in the Homecoming Parade this year.

The Junior Class is also very active in school activities. Many have lettered in V.H.S. sports; while others are involved in school organizations, often acting as the clubs' leaders. The Class Officers are: Jennifer Cox — President; Alan Maddox - Vice President; and C. C. Flurry — Secretary/Treasurer.

With their emphasis put on friendships, fun, and a little hard work; this will lead the class of '93 into a bright future.

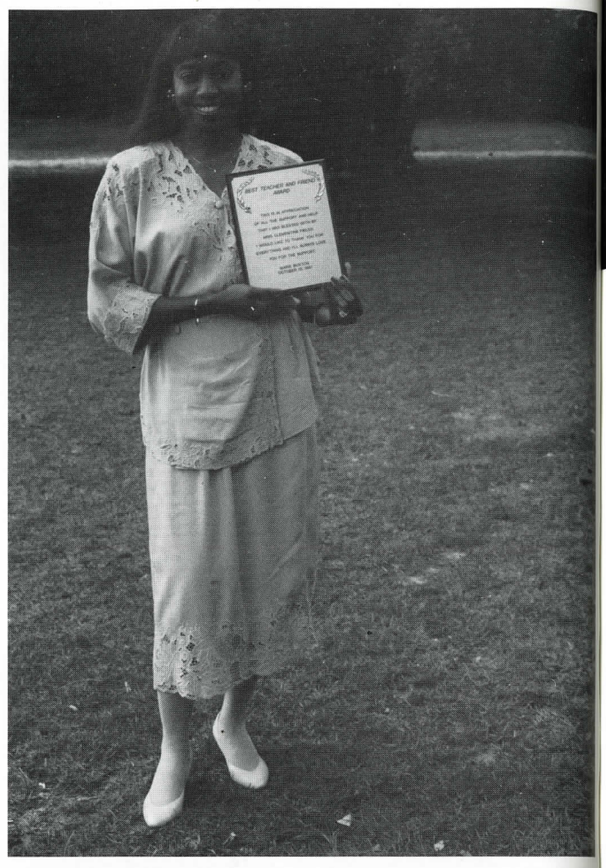
Lines of Praise

Vancleave Teacher Presented Award



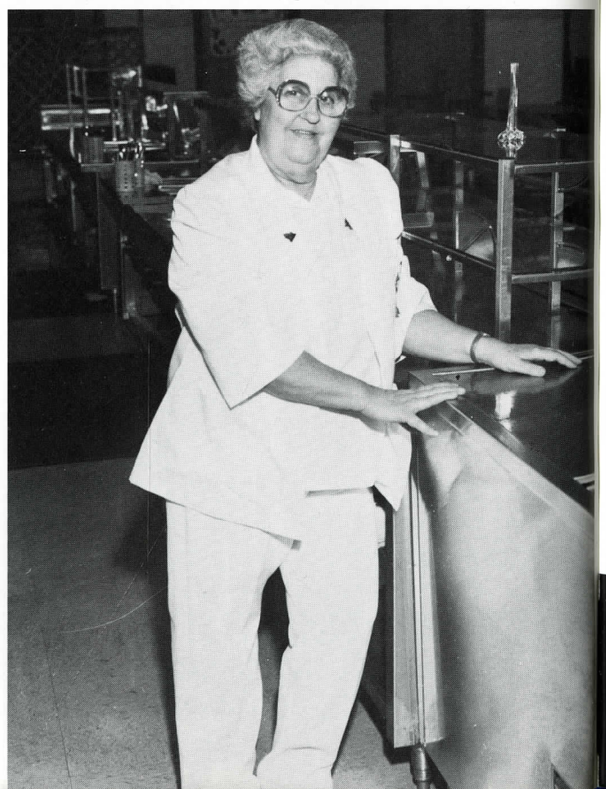
It is an honor when one receives accalades from his/her principal or colleagues, but great is the reward when one receives thanks from the persons who benefit most from his/her efforts.

Marie Buxton, a former student at Vancleave High School, presented her former business teacher, Ms. Clementine Fields with a plaque as a token of her gratitude for support given her at Vancleave High.

"I have received many awards but this one surpasses them all." says Ms. Fields.

Ms. Fields received her B.S. in Business Education from Alcorn State University and a Masters of Education in Business Education from William Carey College.

Serving Line Manager Retires



Mrs. Lula Thomas is retiring after working in the cafeteria at the Vancleave Attendance Center for 28 years.

She is presently the manager of the elementary cafeteria, although she at one time was the manager in charge of serving lunches to all grades (K-12) before the secondary schools were built on a different campus.

What she likes best about the cafeteria is the students. She said that she is going to miss the students very much.

Mrs. Thomas is married to Oscar Thomas. She has lived in Vancleave for 34 years.

Her advice to everyone is to live a good, Christian life and bless everybody.

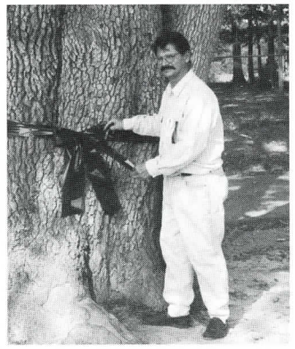
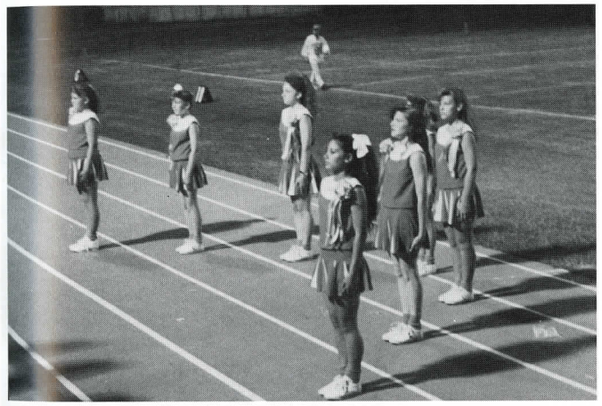
VMS Cheerleaders Jump in Line

The Middle School Cheerleaders are Debbi Parker, Terri Bragg, Hope Moore — Captain, Robyn Davis, Sherry Davis, Jamie Allday, Donya Alford, and Peaches Gerlach — Co-captain.

The Cheerleader sponsor, Wayne Seitz, supervises decorating a line of oak trees in front of VMS for Red Ribbon Week.

VMS Cheerleaders rise to the top.





Hope Moore gets the rhythm of the cheer started with a "Ready, OK!" **Swaying in a line,** the Cheerleaders Rock as they chant for the team.

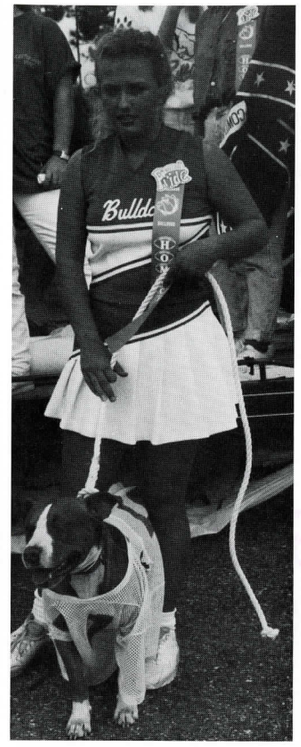
The cheering squad builds up inner spirit while they hold a Pep Rally outside during lunchtime.

The VHS Cheerleaders are Jennifer Davies, Heather Peterson, Jennifer Tanner, Raina Rushing, Natalie Chandler, Vicki Savage, Angel Akins and Beth Hammons — Co-Captains, and Katie Hassell.

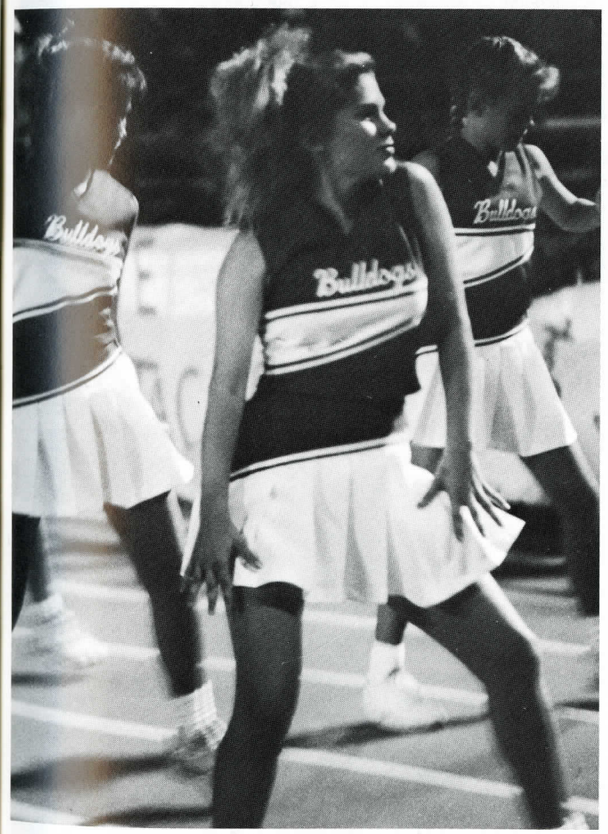
VHS Cheering Line Gets the Spirit Started

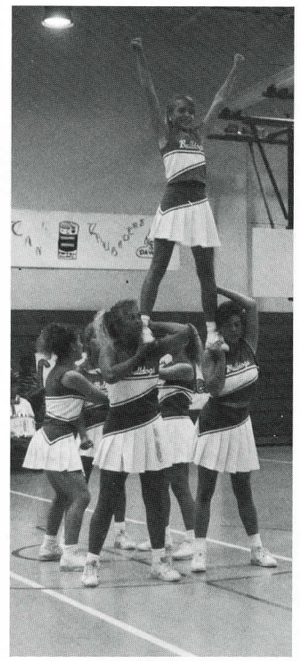
The Jennifers clear the halls of signs.
Pom-poms make the Cheerleaders Shine!

Newcomer Katie Hassell is introduced by the three veterans.



Bulldog cheerleaders chant to the football team to "Go get the Tigers."
Beth's Bulldog was voted Best-Dressed on the Senior float.
Natalie flies through the air with a toe-touch.
Mrs. Connie Helmuth is the Cheerleading Sponsor.





Raina Rushing really rock 'n' rolls!
Jennifer gets a lift from Angel and Beth.
Selling ribbons is a hard job, but somebody's got to do it.

Homecoming Court

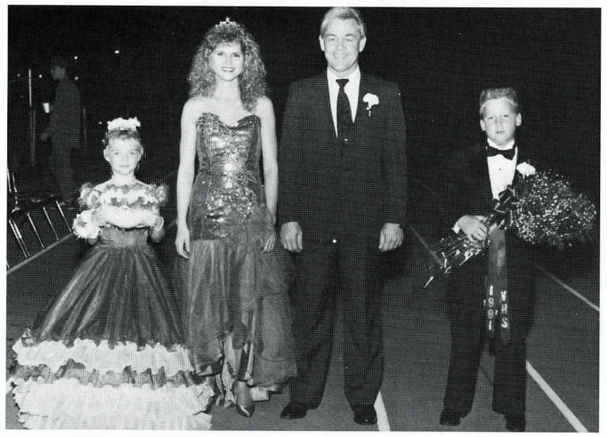
Draws an Audience

Homecoming ceremonies were held Oct. 25, 1991. The identity of the queen is kept secret until all of the girls have been introduced and escorted onto the football field at halftime.

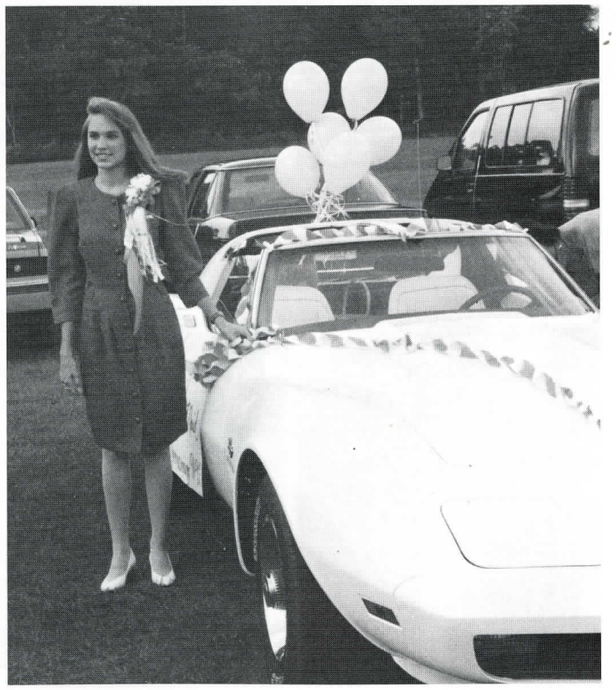
This year's Queen, Jamie Ealy, is crowned by last year's queen, April Bakker.

VHS Principal, Charles Brown, escorts April Bakker, who is accompanied by Princess Crissy Shellnutt and Prince Gerald Edmonson. The prince and princess are selected from the second grade.

The Homecoming Maids are elected by the student body. This year's maids are Ashley Dowdy, April Buchanan, Jennifer Davies, Jamie Ealy, Nicole Fountain, Tammy Lutes, Tara Stockman, Jackie Flurry, Gwen Thrash, and Jennifer Tanner.



Jamie, escorted by her father, is the 18-year old daughter of James and Darlene Ealy. She has attended Vancleave schools for 12 years. Tara Stockman, Nichole Fountain, and Tammy Lutes are the Senior Maids.



Line of Royalty

Samantha Cochran, escorted by her father, is the 1991 VMS Homecoming Queen.

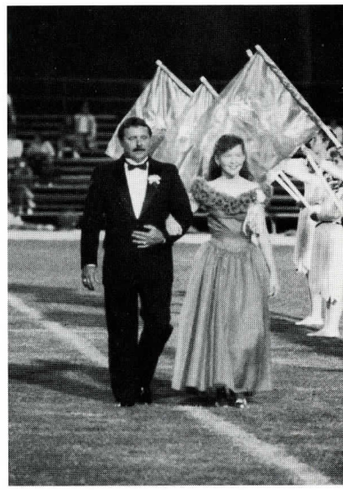
Raina passes her title to Samantha.

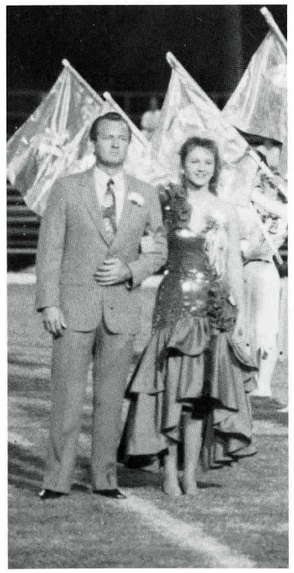
Middle School Homecoming Court

The Homecoming Maids are Sheree King, Stephanie Ealy, Samantha Cochran, Xamondria Fairley, Rox-Ann Rankin, Summer Davis, Angela Walsh, and Mindy Holden.

VMS Homecoming 1991

Last year's Homecoming Queen Raina Rushing waits with Mr. Pritchett to crown the 1991 queen.
Student Council sponsor, Mrs. Thigpen, hopes that all will go smoothly during the presentation of the HC court.
Excitement! That's Samantha Cochran when her name is announced as Queen.
Stephanie Ealy enjoys being in the VHS Homecoming parade.



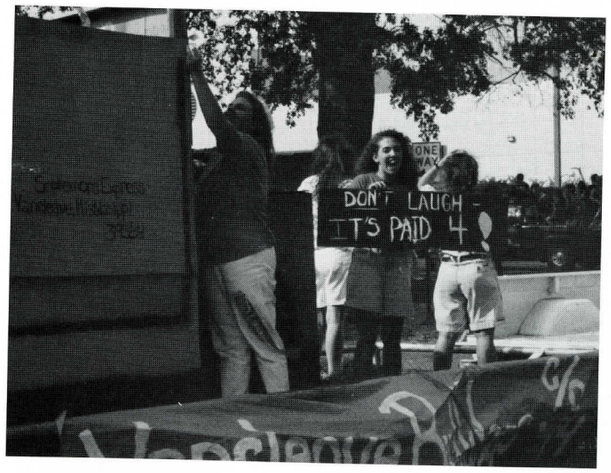


Angela Walsh is a 7th Grade Maid.
Two of the 8th Grade Maids, Xamondria Fairley and RoxAnn Rankin are escorted onto the football field as the band plays "Over the Rainbow."
Summer Davis is escorted by her father.

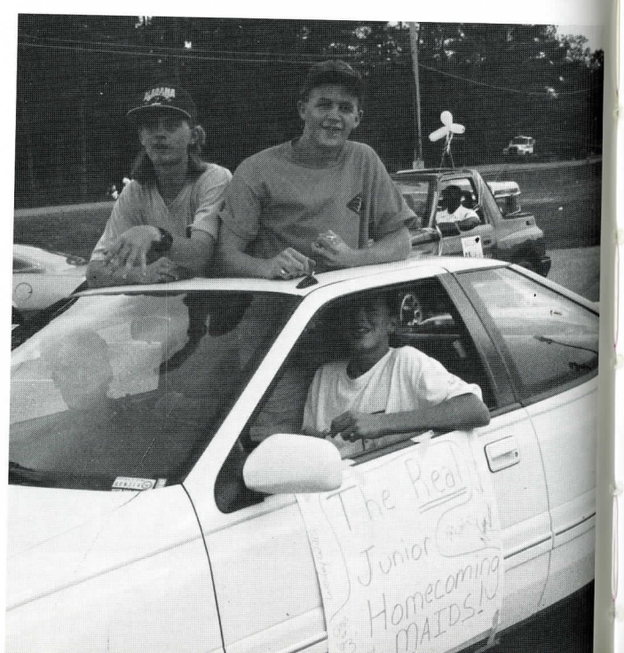
Parade Draws Crowd

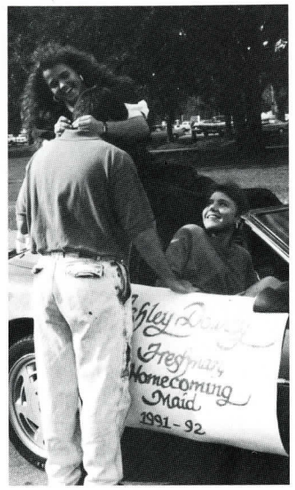
With the band leading the parade, Hwy. 57 is closed to traffic while floats, maids, etc. make their way from the football stadium to the high school pep rally.

Amanda Howard and John Inabinette ride on the Freshman float "Hang the Hornets." **Kevin Mixon** flies his colors. **The Classmen of '95** *hang together.* **Rebekah Wise** helped build the sophomore float, with the theme *"Smack the Hornets"*

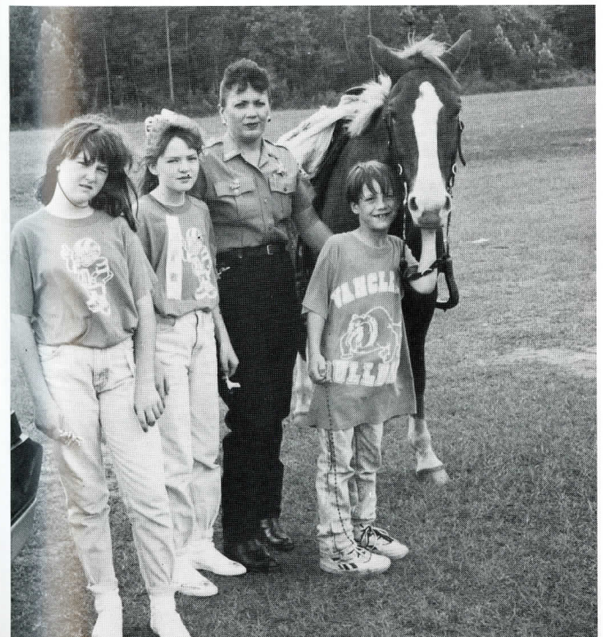


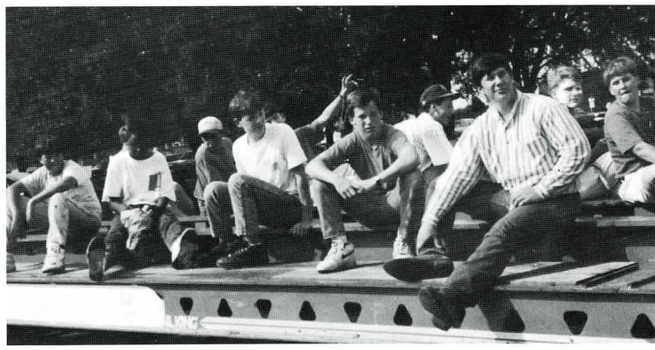
Adding a bit of humor are the "Real Jr. Maids." (There's one in every crowd.)





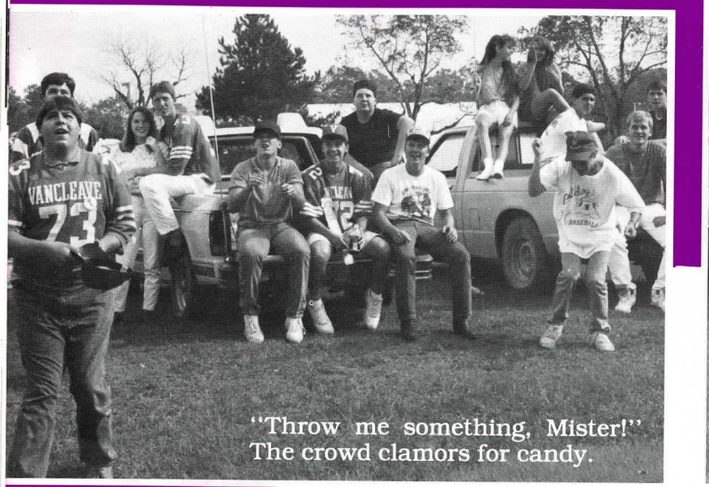
As the parade circles around VMS, Jacob and Amy share a pleasant ride.
Ashley fixes up Mr. Vecchio with a string of beads.
The Seniors show their Spirit with a grand Rebel Yell.
The winning float is the Junior float with a huge Raid can to "Raid the Hornets."





Donna Calton, a traffic director for the Vancleave schools gets ready to ride in the parade. With her are Cherie Davis, Randa Calton, and Charles Calton.

The world's longest truck describes this 116 ft. long truck from B & S Trucking. It is usually used to haul over-sized equipment to Ingall's, but today it is hauling the 9th grade football team.



"Throw me something, Mister!" The crowd clamors for candy.

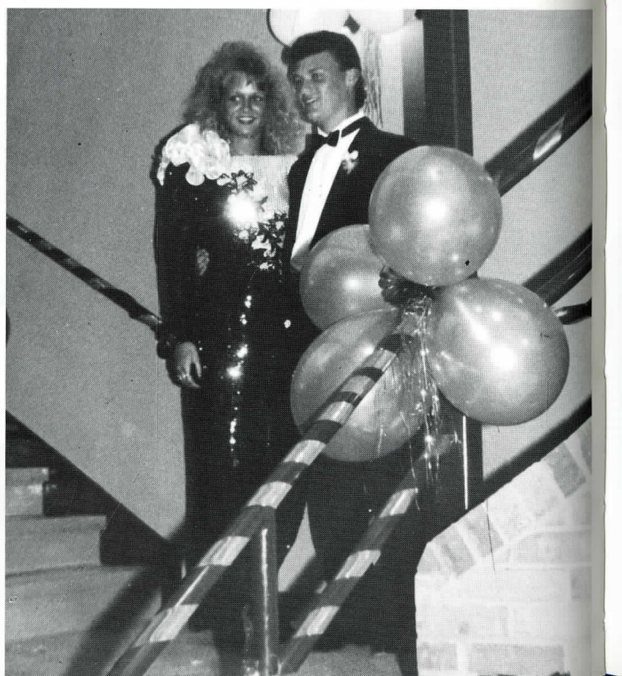
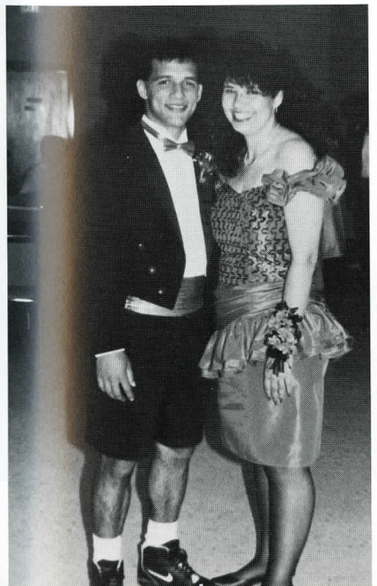
Into the Night

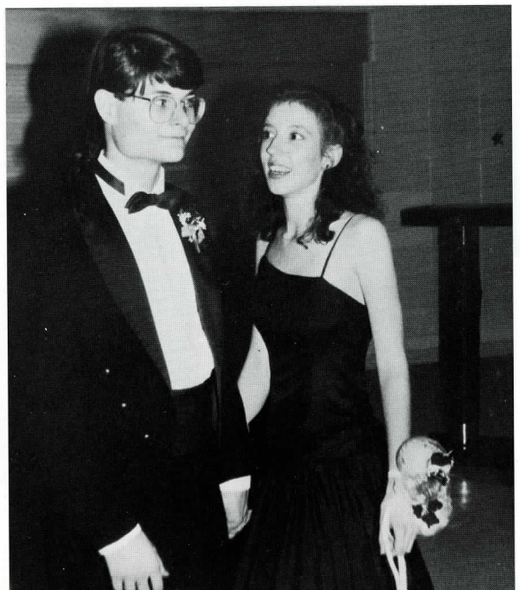
The Jr.-Sr. Prom was held at the Ocean Springs Community Center on May 11, 1991.

Matt Mizelle signs the guest book upon entering the foyer.
The Seniors voted Bill Wise and Nanci Goff as Prom King and Queen.
Angie Richards hands out the Senior favors and prom booklets.
Many students go out to eat before the prom, and Mary Mahoney's is always a favorite place to eat for Missy Good, Nicole Fountain, Kim DeLancey, the waiter, Shay Vaughn, Cherrie Mallette, Alia Spence, and Christine Lane
Melissa Vincent and Matt Ruffin head downstairs to dance.

Shannon Robinson and Bart Holden twist and shout!
Darrell McAllister and Laurie Ely have a good view of the dance floor and the stage from the balcony.
Rhonda Hill greets the guests as they arrive.







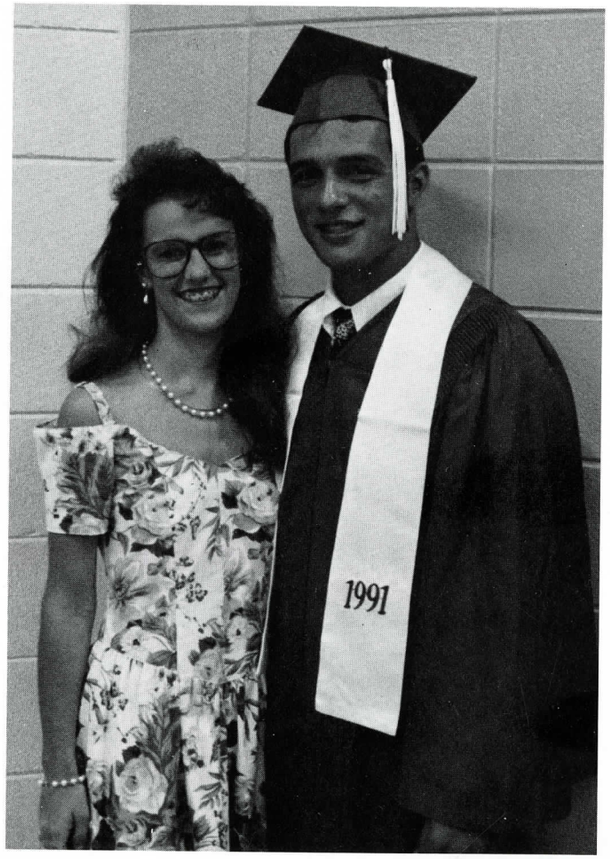
Shawn Waltman tells Jamie Ealy about his personal touch to his tux.
Idona McMillan suggests to Robert Gasaway that they get some refreshments.

Graduation Draws Reward

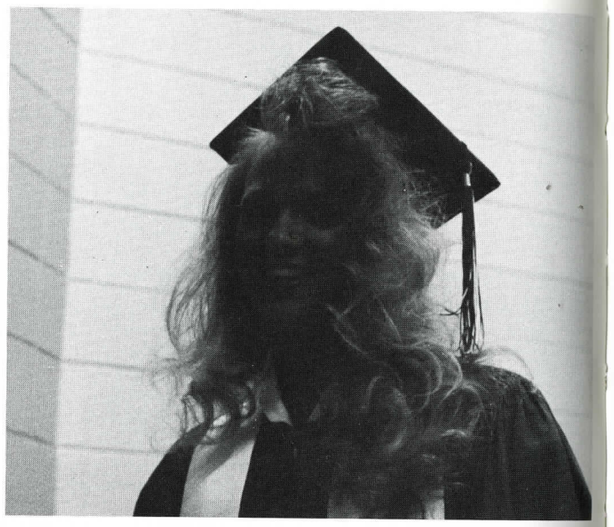
Jacob Cummins and Amy Dowdy preview what is in store for them.

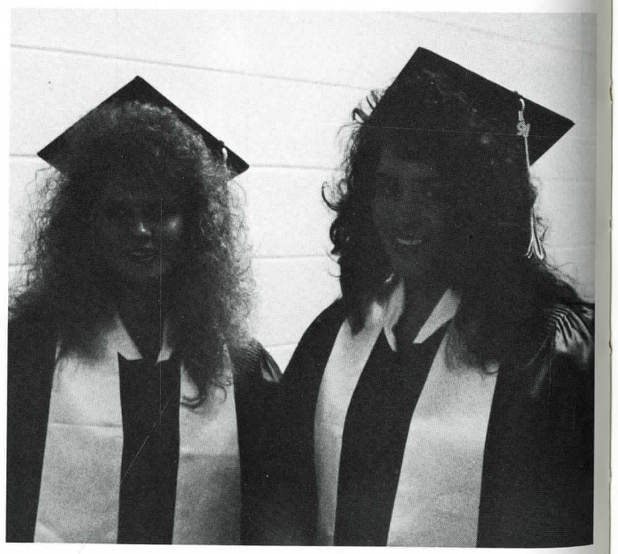
Graduation was held at the Vancleave High School Cafetorium on June 5, 1991, at 8:00 P.M. The cafetorium was packed full of loved ones and friends.

Tonya Fitzgerald hugs Shawn Waltman good-bye, and she wishes him luck in college next year.

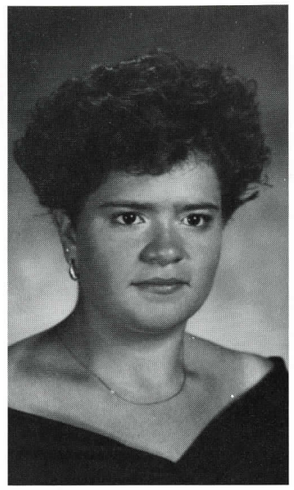


Melissa Vincent smiles because she has just received her diploma.

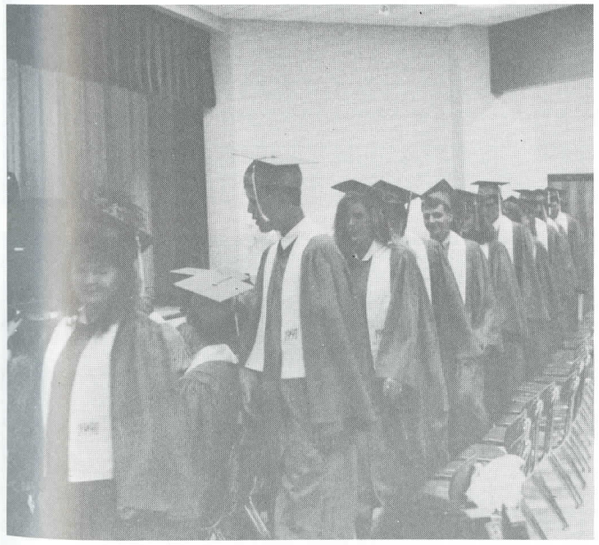


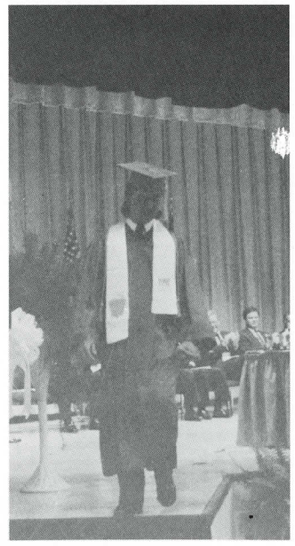


April Bakker and Maridee Bond say farewell to each other and to the rest of their classmates.



Alicia Bearson expresses her happiness that her turn has finally come for the "Pomp and Circumstance" which she has played for previous graduations when the band provided the music.
Deanna Rawls is Valedictorian of her Senior Class. She is also the Star Student of her class. She chose **Mrs. Helmuth** as her Star Teacher.
Graduates tell loved ones and friends thanks for all that they have done, as they present them with flowers.

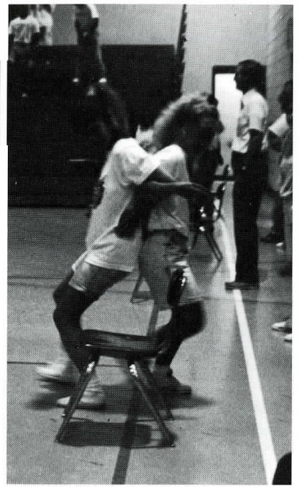


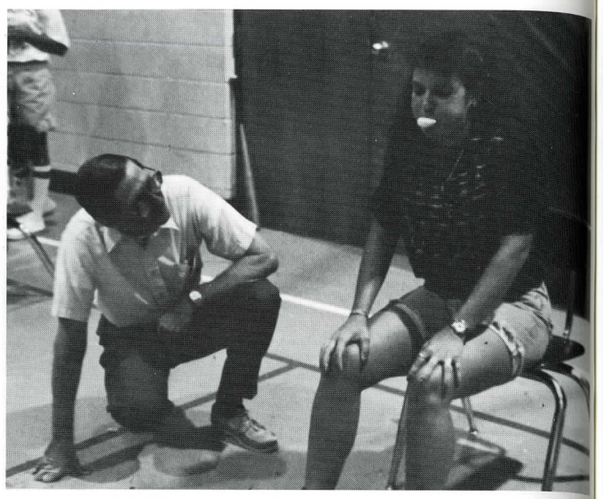


Nanci Goff, Salutatorian, is assisted down the steps by Coach Joe Hubal after she presented her speech.
Choice Smith is followed by the Seniors on her row as they advance to the stage to receive their diplomas.
Eddie Baxter is the Historian of the class of 1991.

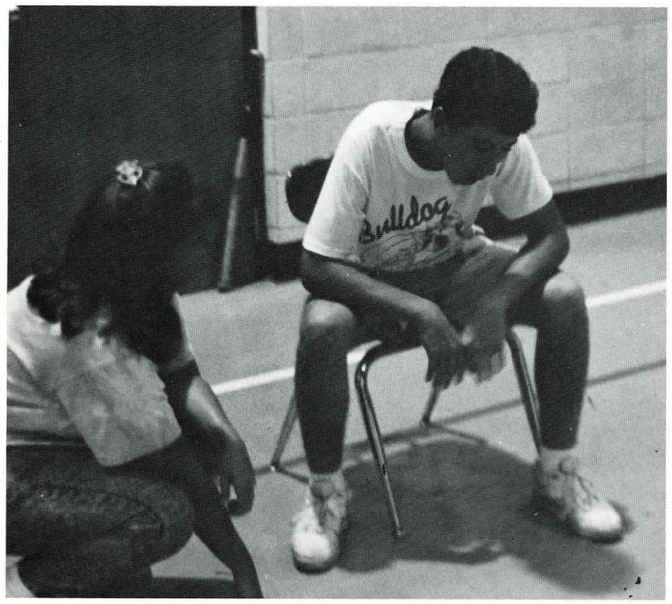
Almost
Anything Goes

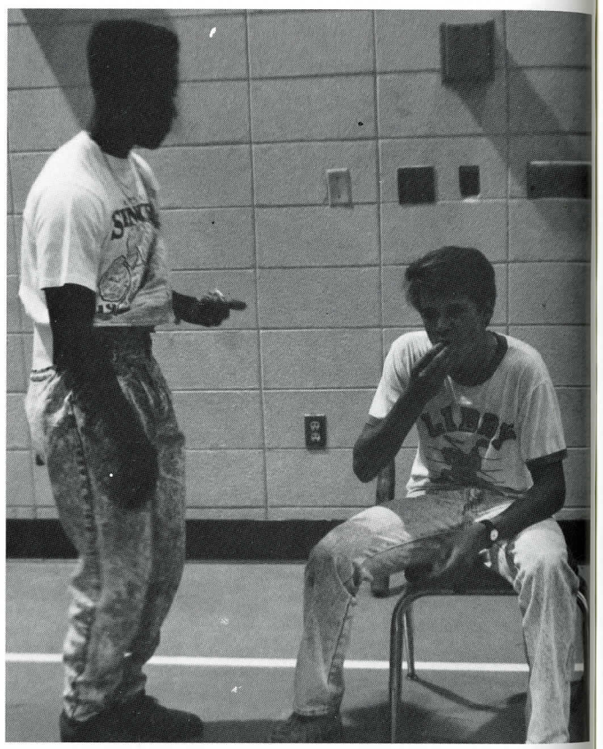
Up the Line



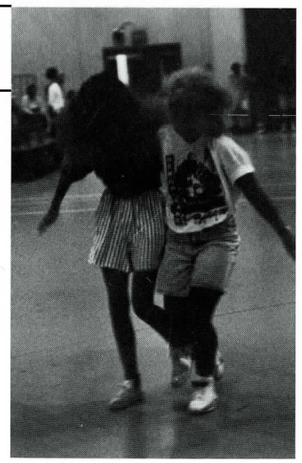


The classes and the faculty compete in relays to help raise money for the Jr.-Sr. Prom.
Angel Akins and Christine Lane race in the balloon relay.
Coach Brown verifies that Angie Hart can blow a bubble.
Alan Maddox races against Angie as he chews frozen bubble gum.

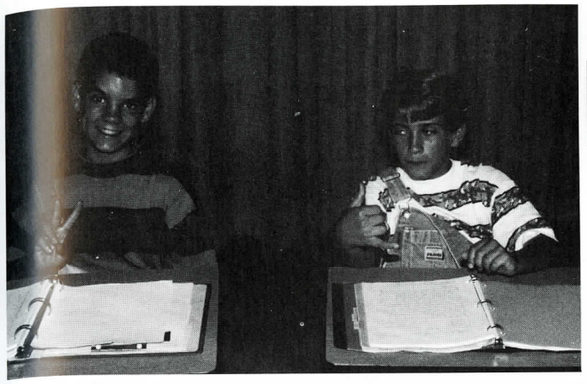


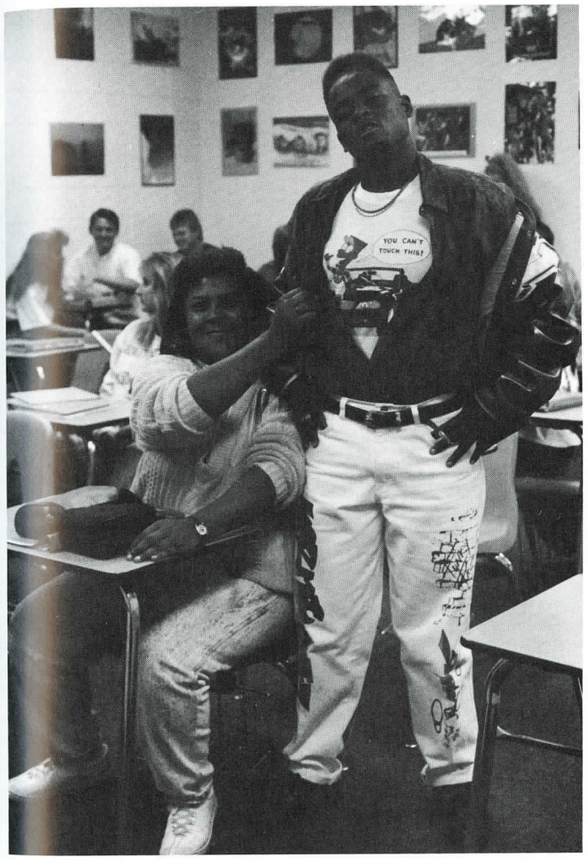


& Down the line



Shannon Briggs watches Flash quickly chomp down crackers before he tries to whistle.
Ashley Seal and Christine Lane move swiftly down the line in the three-legged race.
Bart, Jimmy, Nic, and Matt are a hoppin'!



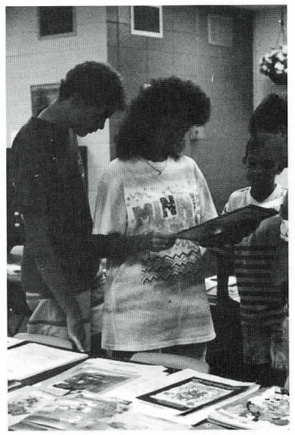


Favorite Lines of the Times

Along the Line

Speaking their lines in sign language are Chris Fortenberry and Vince Dowdy showing **"Peace"** and **"Hang Loose!"**

Other popular lines heard these days says Jeleal White, are Urkel's, **"Help, I've fallen and I can't get up!"**

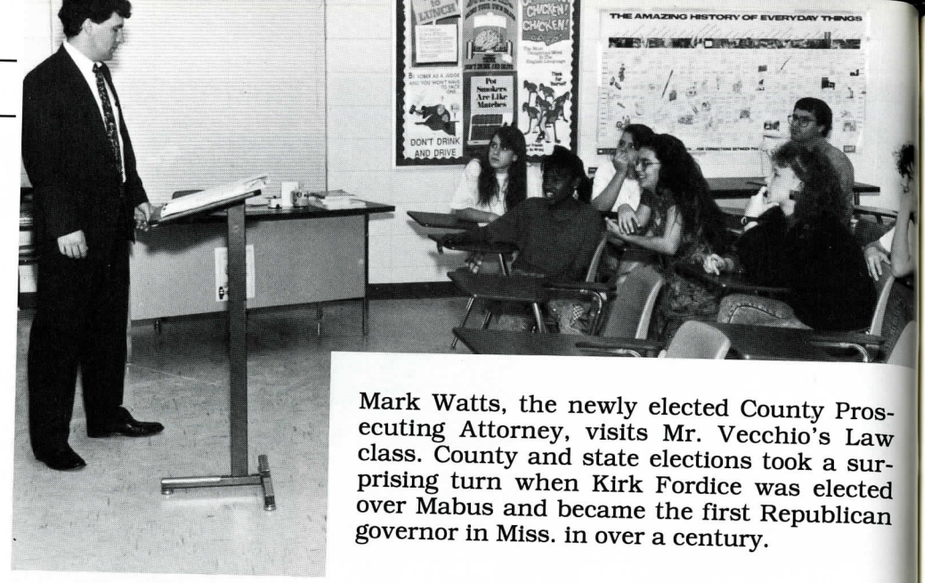


Darcel Fairley tells Sharlene Reddix, **"You can't touch this!"** Or we hear **"You know!"** and **"That's what I'm talking about!"** as Miss McMillan and her students search for Waldo, who is **"Totally Awesome!"**

"I heard that!" says Josh and Eddie to the girls who have **"No Problem"** finding Waldo. **"NO"!"**

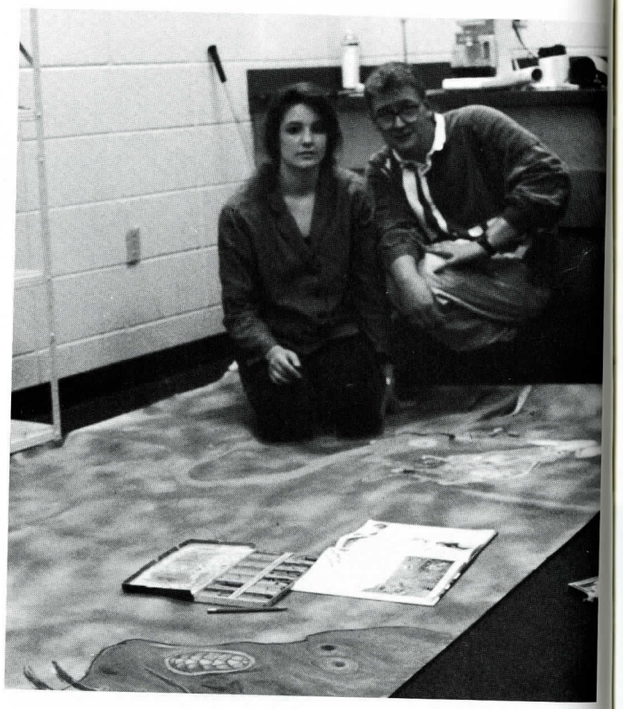
Across the Line

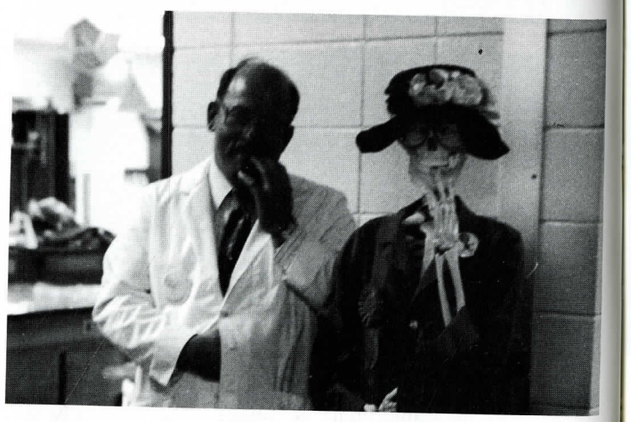
On down past the lines of cars in the parking lot and across the street are many students' autos. Their vehicles are not allowed to be parked on campus without a school sticker, which requires proof of insurance and vehicle registration, and paying a fee of $1.00



Dawn Prach *(center)*, with Magnolia Federal Bank, presents Mr. Charles Brown and Coach Parham with a copy of the Bill of Rights in recognition of the document's 200th anniversary. Looking on are Student Council officers Hollie Henley, Jamie Ealy, and Beth Hammons.

Mark Watts, the newly elected County Prosecuting Attorney, visits Mr. Vecchio's Law class. County and state elections took a surprising turn when Kirk Fordice was elected over Mabus and became the first Republican governor in Miss. in over a century.

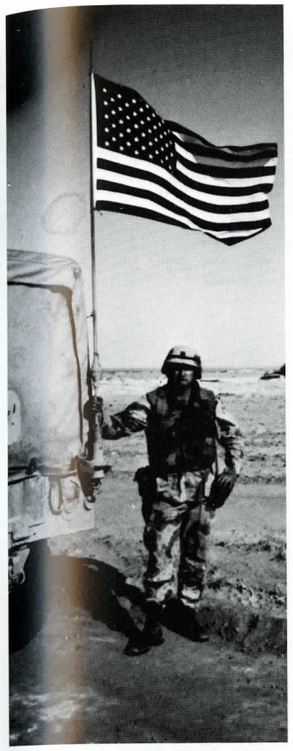


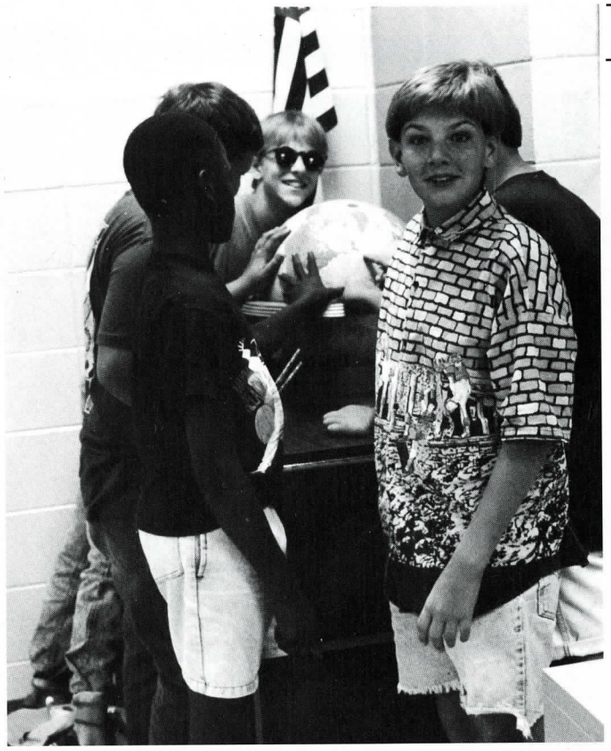


Rachel Inabinette and Chris Crowe paint a mural for Marine Biology class. A renewed interest in clean oceans has prompted a United Nations Postal stamp set featuring lush and colorful marine life.

Cleaning up the environment becomes meaningful for Scott Cheek, Jason Rau, Heidi Barnett, Christi Moradmand, Mrs. Joyce King, Christi Harper, Tara Wages, Kevin Mixon and Bonham Tillman during their can drive. Members of the Ecology Club are concerned with the fate of our natural resources, such as the forests, versus the country's demand for wood and paper.

Mr. Pursley' friend has been on a low-fat diet. All facets of society are committed to improving American's diets.



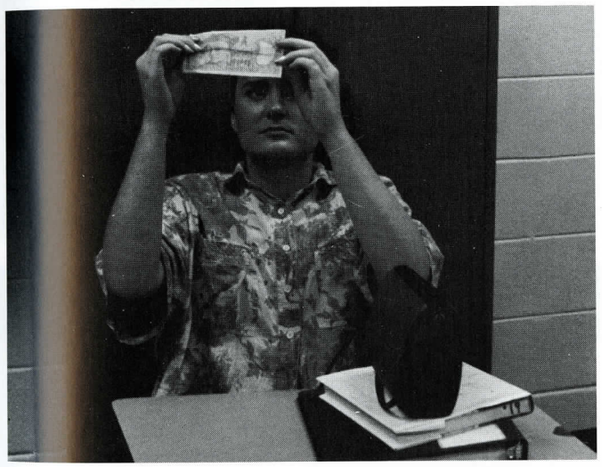


A Line Drawn in the Desert

Operation Desert Storm, which sent hundreds of local servicemen to the Persian Gulf, captured the thoughts of our community. Capt. Victor Stephenson was in Iraq in Feb. 1991. Troops are still coming home in 1992.

Carlos Warren, Nick Peabody, and Matthew Sagazar look to see how the world is changing since the collapse of the Soviet Union and communism.

Christy Nance looks at French currency. The American economy is suffering, the value of the dollar has gone down, and school funds have been cut.



With Tiffany Mallette is Brandy Mitchell, sporting a Minnie Mouse T-shirt. The popularity of Mickey Mouse is international. The Euro-Disneyland should open in Paris, France, in April 1992, joining the other theme parks now in Anaheim, Orlando, and Tokyo.

Looking at the world in 3-D are Danny Taylor and Kevin Mixon with Brandie, Tonya and Cassandra. The glasses are for the movie *Freddy's Dead.*
In the movie world, video stores and movie rentals are a big business today. Top movies are *Bugsy, JFK, The Prince of Tides, The Silence of the Lambs,* and *Beauty and the Beast.*

The World Is An Open Book at Vancleave Public Library

12604 Highway 57 • Vancleave, Mississippi 39565 • 826-5857

We have a world of books—fiction books, non-fiction books, easy books, picture books, large print books, history books, books of every color, stripe and shape. But we have much more.

With your library card (original issued free), you can also check out: framed art prints, audio cassettes, videotapes, slide and 16 mm projectors, Polaroid cameras, and computer software.

Thanks to our on-line public access catalog, a computerized listing, updated daily, you can borrow on intra-library loan any of the nearly 200,000 items in our Jackson-George Regional Library system.

We also have access to MicroCat, a microfilm listing of the more than one million holdings in all of Mississippi's public and special collection libraries. These items are available to our patrons through our free interlibrary loan program.

We also have plenty of answers. We have reference collections, access to computerized national data bases, microfiche copies of complete phone books for every major city in the United States, and local and national newspapers on microfilm and microfiche.

And if that isn't enough, we have telefax machines available for public use, paperback book swap shelves, copy machines, Dial-A-Story for children (769-3071), access to talking books, records and machines for handicapped persons, library service to the homebound, and car seat leasing.

Other services include use of our meeting room and a personal computer for public use, and special programs like summer reading for children.

We make every effort to meet your information and communication needs.

Library Hours
Monday and Thursday, 9 a.m. to 6:30 p.m.
Tuesday, 9 a.m. to 8 p.m.
Wednesday, Friday, Saturday, 9 a.m. to 3 p.m.

This facility is proudly supported by the Jackson County Board of Supervisors.

Voice of the Vancleave Bulldogs

Myron Tillman

Standing on a chair along the sidelines with a microphone and a small PA system was the way Myron Tillman began announcing football games back in 1954. He ran up and down the sidelines speaking through the microphone so the fans would know, play by play, all of the Bulldog action. Except for a few years in the 1960's which Myron missed due to work, he has continued to announce Bulldog football. People from all over Mississippi love to hear him announce because his commentary is so exciting!

Myron says that his most memorable year was the 80-81 season. The Bulldogs went 10-0, and they also won a conference championship. That year they had one game against D'Iberville in which they had to play three overtimes before they finally won. Myron's most memorable player was John Cole, a running back who was 6'1 and weighed over 200 pounds. John played in the early 1960's when the Dogs played the old single wing formation offense.

Against OLV, John ran for over 300 yards and made three touchdowns. Another memorable game for Myron was one played in a heavy rain. D'Iberville was winning by 20 points, people were leaving, and there were less than two minutes left to play. Quarterback Ronnie Moore passed for three touchdowns to wide-receiver Wayne Green to win the game. Since the days of the chair and the hand set PA system, Myron has come a long way. He now sits in an airconditioned press box along with his "eyes": his sons Bret and Bonham Tillman. They watch the games and relay the plays to Dad. With Bret and Bonham's help, Myron Tillman is still the Voice of the Bulldogs.

Best Wishes . . .

An Editor's Line of Thought

Along the lines of being a yearbook editor are a great deal of dedication and commitment by the editor, as well as the entire annual staff. I was fortunate to have a great staff of workers who supported our numerous activities. Many sacrifices were made by the staff, Mrs. Stietenroth, and myself to create this annual. Beginning with the yearbook workshop in July and carrying way into May, many hours of hard work and imaginative thinking were spent in making this year's annual special.

Annual staff members become acquainted with many lines of work, such as selling ads, taking photographs, typing, accounting, writing, creating stage props, word processing, organizing productions, and drawing layouts, to name a few. In order to accomplish all these jobs, many people must become involved. A few of the people who deserve recognition for their efforts are Mrs. Stietenroth, Mrs. Coy Ann Mallett, and Mrs. Joyce King. Our sponsor, Mrs. Stietenroth, has been the guiding light of the staff. She has been assisted by Mrs. Mallett, who also attended the workshop at Long Beach and has worked considerably hard this year, and for that, I thank her. The art teacher, Mrs. King, helped with our cover design, supervised her students with the artwork found throughout the annual, and helped her classes construct the stage set for the pageant. I appreciate everything that Mrs. King and her art students have done.

I would like to extend a special line of thanks to my family, especially my mom, who has been a big help at every fund raiser, and to my friends for always lending a hand whenever we needed them. Many people have contributed to this annual, and I hope that you will enjoy it for many years to come.
